DOCKET NO. 2005-38-T

UTILITIES MATTERS ☐

**SUBJECT:**

Docket No. 2005-38-T - Reliable Services Group, Inc. d/b/a Two Men and a Truck - Application for a Rate Increase. Discuss with the Commission receipt of a request filed by Office of Regulatory to postpone the processing of the application until an impact study can be performed.

**COMMISSION ACTION:**

Mr. Chairman, I move that we carry over Item 3 until such time as we receive an explanation from the Office of Regulatory Staff as to the nature of an "impact study." Formerly, in examining a proposed transportation rate increase, the Commission examined the operating ratios both before and after the proposed rate increase. We also compared the proposed increased rate with the rate approved for the South Carolina Tariff Bureau for the same services. ORS should outline the parameters of its proposed "impact studies," and file this with the Commission and serve it on the parties to this case within 15 days of its receipt of the Orders outlining this directive. I so move.
